USPA NEWS - Allegiance to God & Pakistan are the Hallmarks of a Pakistani Patriot

In 2020, Pakistan faced the most difficult and challenging times to its wellbeing and its national security, said Shazada Hayat President UICF (UK) and international community welfare campaigner. The Covid-19 Corona Virus pandemic unleashed unimaginable devastation across the world which has never been witnessed in peacetime. Pakistan as well as being attacked by the Corona Virus pandemic, the enemies of Pakistan declared a fifth-generation invisible war against Pakistan nationally and internationally. Pakistan throughout its history has faced many hostilities and adversities from their enemies. The nation's great sons of the soil have always stood up to the enemies of Pakistan with a resolute response accordingly.

The success and survival of Pakistan throughout its history has always been based on two fundamental principles, which are allegiance to God and Pakistan which are over and above all else. As a result of these two principles, Pakistan was created by Quaid-E-Azam Muhammad Ali Jinnah. Quaid-E-Azam was inspired by the poet of the East the legendry Sir Dr. Allama Muhammad Iqbal. Allegiance to God and Pakistan is what drives and makes Pakistan armed forces amongst the most powerful in the world and ready to sacrifice everything for their nation.

Shaheed Major Aziz Bhatti was one of the most outstanding shining examples who put his beloved Pakistan before all else and upheld the principle of allegiance to God and Pakistan.

Squadron Leader MM Alam on the same principles achieved the greatest glory in the skies over Pakistan by defending his motherland in the hour of need. The Pakistan fighter pilot has carved his name in the world record books, as the ace fighter pilot. Pakistan's world formidable intelligence agency The Inter-Service Intelligence (The ISI) make sure the two principles are upheld as paramount for the survival of the nation.

One of the greatest examples that made the world realise the formidable capability and strength of The ISI was when the Soviet Union invaded Afghanistan in 1979.

The Soviet Union agency KGB and the Indian spy agency RAW conspired together and posed an unprecedented threat to Pakistan's existence. The ISI under the command of DG ISI General Hameed Gul with the support of the CIA and MI6 achieved a monumental victory in defeating the USSR in Afghanistan. This victory of the ISI was most certainly the game changer as it led to the demise of the Soviet Empire. This huge debt to Pakistan ISI can never be paid by the United States, Britain and the rest of the West, said Shazada Hayat.

During the tenure of DG ISI Ahmad Shuja Pasha, Pakistan once again came under severe threat. The enemies of Pakistan's intelligence services declared a full-scale terror campaign on Pakistan. This war of terror on Pakistan caused destruction and a huge loss of life at an alarming scale, which shocked the world. The aim of the enemies of Pakistan was to destroy Pakistan's nuclear military defence capabilities, any which way they could. Pakistan's DG ISI Ahmad Shuja Pasha the nation's knight in shining armour went into battle to protect and save his beloved nation and Pakistan's nuclear defence capability from the enemies of Pakistan. General Pasha went all out to seek and destroy the terrorist network inside and outside Pakistan.

This great victory over adversity made Pakistan and the world a safer place. General Pasha had outwitted and defeated the foreign intelligence services who were left perplexed and punished accordingly. As a result of the remarkable and outstanding achievement by General Pasha in the field of counter terrorism and espionage the world intelligence service and the military security analyst classed Gen. Shuja Pasha as one of the great all-time spymasters in the world. The Times listed General Pasha as the most influential person in the world during his tenure.

In 2020, the enemies of Pakistan launched one of the biggest all out fifth generation invisible wars against Pakistan. This was to weaken Pakistan from within and its standing around the world. The Indian spy agency RAW and MOSSAD supported by the so-called friends of Pakistan invested billions of dollars to achieve their aim, which was to destroy Pakistan's nuclear military defence capability and also to sabotage the China Pakistan Economic Corridor (CPEC).

The master plan devised by the foreign intelligence agency was to set up a fake news and disinformation cells in Pakistan, UK and Europe to spread false, negative and misleading propaganda against Pakistan.

Shazada Hayat went on to say, The foreign intelligence agencies also infiltrated some of Pakistan's political parties and media houses with huge incentives for them to help to carry out their sinister destructive plans against Pakistan. One of the main aims was to create hate and distance between the Pakistan public and the Pakistan armed force with fake misleading allegations and disinformation to create civil unrest to lead to a civil war and use this pretence to attack Pakistan. The enemies of Pakistan succeeded in making the Pakistan political opposition parties and the government of Pakistan to fight between themselves on personal issues in order to distract the whole nation and the world from the lockdown and atrocities being carried out in Kashmir. Also, to distract the Pakistan public from the foreign intelligence service carrying out terrorists' activities in Baluchistan.

The Indian air force in 2019 planned a huge ambitious attack on Pakistan.

The enemies of Pakistan were fully confident that they will turn Pakistan into Iraq, Syria, Libya, Egypt and Yemen. The Pakistan ISI took the monumental challenge head on and defeated the enemy's ambitious plans. The ISI exposed and smashed the fake propaganda cells inside and outside of Pakistan. The Pakistan intelligence service was ahead of its game when the Indian air force tried to enter Pakistan air space in 2019. Pakistan air force fighter jets roared like lions and took to the sky. The response was clinical and most certainly befitting. The victories of the ISI in 2020 headed by DG ISI Gen. Faiz Hameed was remarkable and outstanding which made the nation proud and gained Pakistan admiration around the world. No spy agencies in the world have single handily taken on so many of the world's powerful spymasters as the Pakistan ISI did in 2020 and came out victorious. The credit goes to Pakistan's DG ISI Faiz Hameed and his outstanding intelligence service staff, said Shazada Hayat.

The image and morale of the Pakistan armed force was taken to an all time high in 2013 by Pakistan's Army Chief of Staff Gen. Raheel Sharif. The world's military chiefs classed the Pakistani Army Chief of Staff Gen. Raheel Sharif as the greatest Commander in Chief in the world during his tenure. Upon retiring General Raheel Sharif was appointed the Supreme Commander of over 35 Muslim countries armed forces.

The enemies of Pakistan need to clearly understand and ascertain that the command of the defence of Pakistan is in the safest pair of hands of the current Army Chief of Staff General Qamar Javed Bajwa, who just like all the outstanding Pakistan legends is ready and prepared to carve his name into the glorious military history books. Every member of the Pakistan armed force honour courage as their Patron Saint is Hazrat Ali, they will sacrifice all to defend the Pakistan of Prophet Muhammed ﷺ, created by Quaid-E-Azam Muhammad Ali Jinnah. Therefore, the Pakistan armed force and the nation believe that defeat is not an option and victory must be achieved at all costs. The patriotic Pakistan nation is resolute and stands united behind its armed force and wish to remind the enemies of Pakistan why Quaid-E-Azam Muhammad Ali Jinnah with full pride and confidence said, "There is no power on earth that can undo Pakistan," said Shazada Hayat.
